Our Parish Mission Statement:

Gathered as a family of faith in Christ Jesus, strengthened by His Word and Sacraments, we will set a living example of our faith by:

“Seeking Christ in all we meet

“Giving of our time, talent and treasure

“Supporting and strengthening our community and Sharing our Faith

Dear Parish Family,

We recently sold our home and after being a homeowner for 17 years, I can confidently admit that I was horrible when it came to lawn care. Our lawn was home to weeds, dandelions and underground tunnels that allow animals to freely move about our neighborhood undetected (my sincere apologies to our neighbors). My only hope in maintaining the overgrowth of weeds and the express tunnel system was to reach out to others who understood the issues and how to best care for them.

It is easy to get lost amongst the weeds, to loose hope especially when we look around the world and see how much of what surrounds us each day is not of God's love. But as we stand amongst those weeds we never forget that God's love is right there in the weeds with us, always. His is an eternal love, a real, authentic love that, when embraced, fills us with a love that does not run away from the troubles and despair of our world but rather that impels us to walk with others to trample that which tries to cause us to stumble.

Matt Maher, a well-known Catholic worship leader, has a song with these lyrics,

*Surely my God is the strength of my soul
Your love defends me, Your love defends me
And when I feel like I'm all alone
Your love defends me, Your love defends me*

No matter how high, how thick the weeds are in our life, God's love is guiding us, defending us, empowering us to live a life of courage and hope. A life that seeks to walk with others and stand together under the shining sun in God's great Kingdom.

God bless! Judd
